Abstract Submission Guidelines

To facilitate the submission process and the subsequent follow-up process, please comply with the following guidelines.

- Abstracts should represent the original work.
- Abstract should be written in English.
- The abstract should be submitted in the format of MS Word document (.doc or .docx) using the template here: [download](#)
- Documents that do not conform to the guidelines will be asked to revise.
- Documents received after the given deadline, due to any reason, will not be accepted unless the deadline is extended.

(1) An abstract is a single paragraph, without subheadings, indentations, and references.
(2) It should be an explicit summary of your presentation that includes the problem, the objectives, the methods used, and the major results, and conclusions.
(3) It should be typed in 12-point Times New Roman, single-spaced. Do not include bullet points or lists in the abstract. If there is a need to cite references, please provide the sources in brackets.
(4) Use only the SI units.

- Use a negative exponent (e.g. kg m⁻³) and do not indicate units as divisions (e.g. kg/m³)
- Chemical formulae should be written in standard forms as in "CaCO₃" not as "CaCO3"
